

Strictly **FUN** Dancing

Newsletter

Spring 2019

Greetings to All,

There are only a few items to mention on this one. So, other than to thank you all for your continued support, have a great Easter.

Saturday Socials - Grafton

Social dance nights have generally been run on the fourth (sometimes third) Saturday of the month. The problem however, with running the dance on the fourth Saturday is that it tends to coincide with long bank holiday weekends and when running on the third Saturday, apart from creating confusion, it clashes with other dance venues and their social events.

Therefore, as of June 2019, all advertised Saturday socials will run on the second Saturday of the month. So, please do make the effort to attend and put into practise what you've learnt in class; it's the only way to move it on!

In the mean-time, dates for your diary for the months between now and then are as follows:

Sat 23 March 2019 (4th Week)
Sat 27 April 2019 (4th Week)
Sat 18 May 2019 (3rd Week)

Sequence Sandwich - Workshop

A request has been made to run a Sequence dance workshop at the Grafton towards the end of the Summer Term. The view is that we play Sequence dances on a Saturday night but rarely teach them in class, which, unless you are an 'on the job' quick learner, leaves you very often a spectator. It was also suggested to extend the afternoon to include a buffet or BBQ whilst relaxing in the garden.

If you are interested please do let me know, either by way of an email or by leaving your name with Mum when you pay on a Thursday so that I can gauge interest and work out a price.

Term Times

The last classes before the Easter break will be held on
Thursday 4 April 2019.

We will be closed for 2 weeks.

All classes will resume on
Thursday 25 April 2019.

With the warmest of regards

Paul and Team
