Summer 2013

Summer Greetings to you all,

In true to British form: What wonderful weather we are having! I hope you are able to take full advantage of it?

Short and sweet, time is as ever pressing:

Class/Term - Start/Finish Dates

- 6.45pm Beginners instruction finishes on Thursday 11 July 2013.
- 7.30pm Improvers instruction finishes on Thursday 11 July 2013
- 8.30pm Intermediate/Advanced instruction finishes on Thursday 11 July 2013.

Social Practise - Shirley - Thursday 18th July 2013

The 18th will be the last Thursday evening at Shirley Methodist before we pack up for the summer break and so following on from March when we trialled the practise night, which, feedback would

suggest was particularly successful, we are doing it all again. It is an opportunity for you to let your hair down, practise your dancing and enforce the memory as to why we started dancing in the first place. The whole team will be there, including me this time, so please come and support it.

The evening is specifically for those who attend either the Thursday night classes or come to either myself or Carolyn for private lessons associated with Strictly Fun Dancing.

Venue: Shirley Methodist

Time: 7.30pm -9.30pm (or 9pm if the evening has run its course)

Price: £7 per person

Refreshments: Tea/coffee will be available - bring your own cold drinks but remember no alcohol allowed in a Methodist Church.

All Shirley classes resume on 5 September 2013.

Beginners Workshop at Grafton Summer 2013

I will also be running a beginners level intensive workshop late August time (date, times and price to be fixed) at Grafton. Hopefully, we will include some kind of lunch in the garden too. If anyone is interested please watch out for further emails.

If we don't see you before, enjoy the summer and see when we see you.

Best regards

Paul and Team
