Winter 2014

Festive greetings to you all,

As one year comes to an end and the next is soon to begin I have been reflecting on how the classes at Shirley have changed, and changed they have; some for the better and some not so. Not only did we lose Carolyn but other key players and characters who attended classes are no longer with us either. On the plus side Izabela joined us, some of you, following a break, have found us again and new starters continue to join our flock. For whatever the reasons, be it our individual personal circumstances changing or maybe influences from the universe, either way Thursday night dancing at Shirley Methodist is established and with your combined support continues to hold its own.

Thank you very very much.

Beginners Class

In order to manage everyone's expectations and therefore to ensure that no one becomes bored or disheartened I must remind you that when classes resume next year that it will revert to teaching absolute beginners and will run at a pace to suit. Stepping up a class may take us out of our comfort zones but I would ask that some of you consider

taking a chance and maybe placing a foot in the Improvers class whilst also keeping a foot in the Beginners class. Alternatively, take the plunge and go for it, I can only run a class to the group's mean ability so please do not worry about being left behind.

Christmas Party 2013.

Please note that due to a low take up of tickets the party may not go ahead. I intend, as we only have a couple of weeks to go, to make a decision this weekend as I will need to speak to the caterers. Obviously, if you have already paid, all monies will be refunded in full.

Winter Class - Start/Finish Dates

The last class before Christmas break will be held on
Thursday 18 December 2014.

All classes resume on Thursday 15 January 2015.

Best regards

Paul and Team
